

Driving

Drive west along Waterworks Road to Highpoint. Approach carefully on the inside lane and turn left into the Goodlife carpark entrance. (if you go past it the first time, you can turn left at the lights and then first left and first left to try again)

Down the ramp to the carpark and turn right to go find a spot in the Highpoint carpark.

Campus

The entrance to Highpoint is open all evening, so just make your way to the stairs or the lift and go to the first floor.

Once there walk around to the office entrance in the corner as shown.
